INFORMATION DISCLOSURE STATEMENT

Sir:

As suggested by 37 C.F.R. 1.97, the undersigned attorney brings to the attention of the Patent and Trademark Office the references listed on the attached form PTO/SB/08a. Also attached are four International Search Reports, together with cited references, which have issued in corresponding PCT International Applications as follows:

International Application No. PCT/GB2004/005398, filed 22 December 2004
International Application No. PCT/GB2006/002301, filed 22 June 2006
International Application No. PCT/GB2006/002500, filed 06 July 2006
International Application No. PCT/GB2006/002518, filed 06 July 2006

This is not to be construed as a representation that a search has been made or that no better prior art exists, or that a reference is relevant merely because cited.

The Examiner is requested to initial the attached form PTO/SB/08a and to return a copy of the initialed document to the undersigned as an indication that the attached references have been considered and made of record.
